**Course description:**

Exploring Taiwan courses consist of a mix of in-class lecture, campus tour, field trips, craftsmanship lesson and institution visits. The campus tour provides in depth introduction on various aspects of NTHU and will show you the history and the beauty of NTHU. The field trips are a way to extend students learning from classes. We will take you to the downtown and suburbs area of Hsinchu, the " Silicon Valley" of Taiwan, visiting the most worship temple in Hsinchu, experiencing the traditional way to make Chinese medicine, savoring Taiwan's cuisines. Furthermore, two institution visits will show you the advantage of High-tech technique in Taiwan. Last but not least, we offer in-class film making lecture and glass art craftsmanship. NTHU is the only university that contain Art college among Hsinchu. Through the film making course and craftsmanship workshop, students may make their own souvenirs by themselves and record the 3 weeks living in Taiwan, sharing with friends, family and make it a unique memory in their life time.
